Important Resources: DB2 Express - C Web site

www.ibm.com/db2/express

The screenshot shows the DB2 Express-C website in a Microsoft Internet Explorer browser window. The address bar displays <http://www-306.ibm.com/software/data/db2/udb/db2express/>. The page features the IBM logo at the top left, a navigation menu with links to Home, Products, Services & solutions, Support & downloads, and My account. The main heading is "DB2 Express-C" with the subtitle "The DB2 Express Edition for the community". Below this, there are tabs for Home, Get started, Learn, Migrate, Partners, and Contact us. The "Get started" tab is active, showing links to News & Events, Your DB2 solutions, You asked?, and Featured community contributor. The "News" section includes articles about a new IBM Redbook Residency, DB2 Express-C installation on Windows XP, and Savvica replacing MySQL with GRIDIRON. The "Events" section lists a DB2 Chat with the Lab, a Replay Webcast, and the EclipseCon 2006 conference. On the right side, there are links to Download DB2 Express-C, DB2 Express Online Forum, Sign Up for Our Mailing List, and Upgrade to DB2 Express. The bottom of the page shows the browser's status bar with the address <http://www-306.ibm.com/software/data/db2/udb/db2express/> and the Internet icon.
